Product overview

The Freshnex SDA2 is a wall-mounted automatic dispenser for liquid soap or sanitiser gel. Its stainless steel housing and infrared sensor allow convenient hands-free operation in commercial and domestic washrooms.

Key features

• Infrared no-touch activation at a detection distance of 5-9 cm.

• 700 mL refillable tank with key-access lid.

• Adjustable dispensing volume from 0.5 mL to 2.5 mL.

• Wall mounting bracket and fixing screws supplied.

• Dispenser slides off its bracket for tank cleaning or battery replacement.

Warranty - 12 Months

The SDA2 Automatic Soap Dispenser is covered by a 12-month warranty, provided that only pH-neutral liquid soap or sanitiser gel is used. The dispenser must be maintained, cleaned and rinsed regularly to prevent residue build-up and clogging. Failure to use suitable products or to carry out regular cleaning and maintenance may affect warranty coverage.
